Quicklinks

- Columbia Skylights Brochure
- Good, better, best glass and acrylic glazing options

Features and Benefits

- Made in Canada since 1955, Columbia's fixed curb mount skylight is the number one choice for Canadian contractors and professionals.
- Available in glass for sloped roofs and acrylic dome for sloped and flat roofs.
- Thermally broken white PVC base frame with condensation channel and weep holes.
- Aluminum exterior cap with baked enamel Rideau brown finish to match common roofing materials. Also available in Black, Grey, White, Sandalwood and Mill Finish.

- Mounts from the outside to site built 2' x 4', 2' x 6' or 2' x 8' wood curb.

Glass and Acrylic Dome Options

- Choose from 7 Energy Star[®] Qualified glass and 3 Acrylic Dome glazing options.
- Standard glass glazing is double glazed LoE Clear Tempered over Tempered, argon gas sealed units. LoE Tempered over Laminate is also available for additional safety and noise reduction.
- Energy Star[®] qualified glass glazing options:
 - **LoE Clear:** Industry benchmark
 - **LoE Neat:** Self cleaning glass
 - **LoE i89:** Close to triple pane performance
 - **LoE Triple Glazed:** Ultimate energy performance
 - **LoE Bronze:** For a softer light
 - **LoE Solar Reflective Bronze:** Mirror finish
- Acrylic dome available in clear, bronze or white in choice of single, double and triple glazed.
